ABOUT THE NEWMARKET GROUP OF ARTISTS

The Newmarket Group of Artists (NGA) is a not for profit organization whose mandate is to create a strong visual arts community in Newmarket by providing opportunities for local artists to showcase their work. In addition to the annual Studio Tour, artists are given the opportunity to exhibit at the Newmarket Celebrates the Arts Gala, Covernotes Tea and Coffeehouse, NGA Artist Market, and the Art Gallery at Southlake. The NGA has established valuable partnerships with local businesses and organizations, and we hope to continue building more through our Sponsorship Program.
